Cost: Cost will be \$5 per person or \$20 max per family for the port-a-potty rentals, firewood and water and can be paid at 1273.org/members

Please register as soon as you can so we can make proper preparations for our group.

What to bring:

- Camp Savoy is primitive camping on private property. Trail Life will provide water, firewood (although you're welcome to bring more) and port-a-pottys.
- Please bring all gear needed to camp for your family including tents, sleeping pads and bags, food, cooking utensils, flashlights, etc. If you need help with a full list, please reach out to us.
- We ask that you and your children use these campouts for a time to step away from electronics. We understand there may be special circumstances and ask that you use them discreetly when needed. Using a phone's camera to save memories is of course an exception to that request.

Tentative Schedule: In our experience the children quickly find ways to enjoy the outdoors without requiring a strict activity plan, so we like to allow for this free time. We will have some planned activities on Saturday and will announce a final schedule closer to the date.
